17 Series
Commercial Range Request to Exit Push Button

IPIXA Security 17 Series Request to exit switches deliver effortless operation for access control, door automation, alerts, and handicap accessibility.

There are three categories to select the 17 Series switch for your application: Touchless Series, Heavy Duty Series & Commercial Series. 17 Series switches provide functional control with a selection of options. The style selection includes gang sizes, type of push button, material & connection options.
