11 Series
Power Supply

The IPIXA 11 Series power supplies has various models to power a wide variety of electronic access control systems including both single and double door applications. The power supply has a 12V DC output voltage and a built-in adapter for battery backup. The Power Supply is equipped with three status LEDs indicating AC power input status, DC power output status & battery charging status.

AFS0300

Product Specifications

Input Voltage   : 220V - 240 VAC / 50 Hz

Output Voltage : 12 V

Output Current : 3 Amps

Time Relay   : 0 ~ 15 Sec

Output   : Normally Open (NO) & Normally Closed (NC)

Dimensions   : 204 X 164 x 72 (mm)

Weight   : 1.65 Kg

Battery   : Not Included

Voltage Surge Protection

LOW
