

02 Series Electromagnetic Locking Range

IPIXA Security 02 Series Electromagnetic Locking Range represents reliable and cost effective Access Control solution

02 series offers locks with various holding capacities. The locks are equipped with sensors to remotely monitor the status of the door. All models are conveniently packaged with armature plate & fixing screws for both Metal & Wooden doors. The minimum maintenance feature & 3 years limited warranty on all models enables this range to be ideal for commercial applications.

AEL0201

Product Specifications

Holding Force	: 120 lbs
